

## **NEW** - 2009 Can-Am Spyder Roadster Touring Accessories Enhancing the « Y » Factor

Dear distributor

In order to continue enhancing the Can-Am™ Spyder® roadster consumer experience and support **YOUR PAC sales volumes**, we are pleased to present our **NEW Can-Am Roadster Touring Accessories range** that will be launched just in time for the summer!

In this bulletin, you will *discover* more about our Side Mounted Cases, Ultra Touring Windshield, Front Shock Adjuster and much more... so stay tuned!

### **Side Mounted Cases**

(Mounting kit included / side panel not included)

**P/N 219400127**

We are pleased to introduce you the “**Can-Am by GIVI**”. **GIVI**†, the leading producer of motorcycle accessories, and **BRP** have joined forces to create a unique side mounted cases for the Can-Am Roadster.

This new case will provide customers with a convenient carry-away solution for additional luggage storage. It has:

- A specific opening and detaching system which can be operated with one hand only!
- A fitting system that guarantees ease of use together with high reliability and durability
- A fully integrated flush mount racking with quick release system.
- Accommodation up to 10 kg

The side mounted cases can be ordered as a complete kit, including the cases, the mounting system, and can be ordered with or without the coloured side panels that will customise your cases.

## Travel bag Spyder™ (PN 219400098)

Dear authorized Can-Am Spyder™ roadster dealer,

Traveling has become an integral part of human life, also for the Can-Am Spyder™ roadster driver.

BRP is proud to present the **Spyder™ travel bag**.

Travel bags are a one-stop solution for all your travel plans. They are practical and at the same time very versatile in catering to the demands of a traveler.

The Spyder™ travel bag is a well-structured light weighted roller bag, spacious enough to let a person plan a weekend trip.

The additional zipped pockets at the lateral surface of the bag are suited to a tee for carrying traveling accessories like wallets, wash bags, shoes, as well as your personal and vehicle documents.

Fabric colors and textures were carefully chosen to modernize the line while giving a rich and discrete appearance to the Spyder™ travel bag.

It's dimensions are: 500mm x 390mm x 230mm and is designed that it fits perfectly into the front compartment of your Spyder™.

**Please check availability and pricing on Bossweb™.**  
(Next delivery in warehouse Ghent expected mid April)

## Adjustable backrest and sport rear rack

PN 219400156

PN 219400155

PN 219400157

Next to the adjustable backrest in silver, BRP aligned this accessory with the other unit colors red, yellow and deep black. The adjustable backrest is a cast-aluminum construction with polyurethane padding. This backrest offers additional passenger comfort with up to 5cm of forward and rear adjustment. Easily removable when not used and it easily clicks into the rear sport rack.

**Please check availability and pricing on Bossweb™.**

PN 219400101

PN 219400128

PN 219400158

The rear sport rack is the base fixture for the backrest and is required to install the adjustable backrest. The rear sport rack adds touring flexibility while complementing the design lines of your Can-Am Spyder.
